

# WHAT'S IN A NAME?

## Don Whitlatch and Parkersburg Rotary

This dynamic duo has joined to create a limited edition print to further peace and understanding throughout the world. Donated to Rotary International, the proceeds from "A New Birth of Freedom" will benefit the Rotary Foundation foreign student exchange program.

Don Whitlatch wildlife prints have consistently appreciated in value, some as much as 1400% — a testament to the extraordinary skill and growing popularity of this important American artist. Chosen as an international symbol of freedom, the magnificent Golden Eagle print measures 31" x 24". A handsome addition to any office, den or decor, it is hand signed in an edition of 950 prints on the finest museum quality 100% rag paper. All printing plates have been destroyed and the edition closed.

As a contribution to this worthy tax-exempt organization, \$200 of the purchase price of each print is tax-deductible.
